TOTE BOARD SPONSORSHIPS

The most looked-at spot during live horse racing for long periods of time is the tote board.

It is the place where everyone's eyes focus to check the odds well before each race and the results after each race. It is constantly changing and captures the attention of everyone at the race track race after race all summer long.

For the 2018 The Horses At Evergreen Park, we are offering a chance for your company to be part of this high-profile sponsorship.

We are doing just three sponsor logos along the bottom of the tote board.

Cost for the larger spot (150 inches wide by 20 inches deep) is \$1,000 while the other spots are \$750.

Sponsor is responsible for the production cost of their logo.
