Welcome To The Show

MARCH 12-14, 2026
EVERGREEN PARK, GRANDE PRAIRIE, AB

ABOUT THE Show

The Peace Country Classic Agri-Show March is being held March 12-14, 2026. The Show began in 1986 and is the largest show of its kind in northern Alberta and one of the largest in all of Canada. It is celebrating its 40th year in 2026.

Hundreds of exhibitors will be on site inside and outside the TARA Energy Services Centre - which is also being used for seminars, special breakfast, kids auction, Kidz Zone and other events - during the Show. The TARA Centre will be the main venue for all three days of the Show.

Several other buildings at Evergreen Park will be used during the Agri-Show.

Both the Drysdale Arena and Lewis Hawkes Arena in Foster's Pavilion will be hosting major events including the Northern Classic Bull Sale & Show on Friday; Keddie's Horse Program Friday and Saturday; petting zoo; and Youth Livestock events on Saturday.

Clarkson Hall is where the Farm Family of the Year is celebrated on the Friday and JDA Raceway at Gordon Badger Stadium hosts skijoring races on Saturday of the Show.

"Tradition, community spirit, and the opportunity to keep abreast of new technology – these are at the heart of the appeal agricultural exhibitions have long held for Alberta's rural communities. This show presents a tremendous variety of displays and exhibits, and provides information on all aspects of farming and rural life. There truly is something for everyone at the Peace Country Classic Agri-Show."

Those words were spoken by Alberta's Minister of Agriculture LeRoy Fjordbotten just before the first Agri-Show in 1986. They still apply today as we are about to celebrate the 2025 Show.

Whether you are a farmer looking to talk to manufacturers and distributors; want to sit in on a seminar to learn more about some aspect of the agricultural industry; or are an urban family looking to experience a taste of rural life the Agri-Show is the place to be.

"Tradition, community spirit, and the opportunity to keep abreast of new technology."

Presenting sponsor of the Safety City Interactive Zone at the Peace Country Classic Agri-Show has a warm and fuzzy with it that puts a smile on everyone's face.

The Zone sponsor gets a display near Keddie's Korner - the room where the Zone is being set up. It is just to the right of the main entrance into the TARA Energy Service Centre where the hundreds of indoor exhibitors have set up to engage with the public.

The Safety City Interactive Zone is where families can bring their kids to learn about farm safety. There will be several interactive displays for a hands-on experience replicating what local farmers might experience in real life.

The Show will produce directional signage that will appear in the TARA Centre guiding guests to the Zone; you will receive a full page ad in the 2026 Show program; you will appear on the promotional screens at Evergreen Park; your logo, with a link to your website, will appear on the Showpage on the Evergreen Park website; you will be included in the special Show spread in the Northern Horizon newspaper; your logo and information about the Zone will be included in the handouts at the entrance to the TARA Centre; and there will be shout-outs to your company on the Evergreen Park social media platforms.
